ORDER:

In the letters read above, the Chief Engineer (R&B)CRN& MD, APRDC., has stated that Chagalamarri–Vempalli road having a total length of 75.30 Kms is an important SH; which connects NH-18 at one end at Chagalamarri and another NH-67 passing in the Proddatur town limits. Large scale Agricultural products are transported to the nearest market centers through this route only. The reach from km7/800 to 8/600 falls in the village limits of Vellala (Pilgrim Centre). Pilgrims not only from Andhra Pradesh but also from Karnataka state visit this place in large number. The no. of pilgrims will be very high during Brahmotsavams in the month of May. The traffic intensity is very high on this Road. Frequent accidents and traffic jams are taking place during overtaking and crossings.
